YL Schools To Bus Kids Of Landmark

YORBA LINDA — The Yorba Linda School District Board of Trustees has voted to provide bus transportation to kindergarten through sixth grade students living in the Landmark tracts south of Imperial Highway to school while construction work on Rose Drive is in progress.

Board members emphasized that they took the action in the interest of safety because during a period of construction large ditches will be dug on each side of the street to prepare them for paving, leaving no place to walk but the middle of the street.

As soon as it is safe to do so the children will be walking to school again, said board members. They emphasized that this decision was in response to a specific dangerous situation in the area and did not in any way set a precedent for any other area.

The board also agreed to hold a joint meeting with the Yorba Linda City Council tomorrow evening at 7:30 in the District offices to discuss topics of mutual interest.

Board members accepted a gift from the Nixon PTA of darkening drapes for the school, changed two holidays on the calendar to comply with state law, approved inter-district agreements with the Placentia and Orange School Districts and a practice teaching agreement with Chapman College and hired 19 substitute teachers and four full-time teachers.

Planning Commission Permits Variance

PLACENTIA—The Planning Commission granted permission for the Humble Oil Company to erect a freeway sign 60 feet high on its station at the northwest corner of Melrose and Orangethorpe at its regular meeting last Tuesday.

Commissioners also required that they reduce a sign presently 20 feet tall to 15 feet for traffic on Orangethorpe. They also allowed 215 square feet of signing on the property, 15 square feet more than the maximum allowed in the sign ordinance.

Commissioners approved a parcel map submitted by Income Property Services dividing 4.64 acres at the southwest corner of Chapman and Angelina into four parcels to allow development of an apartment complex on the site.

Commissioners also denied without prejudice two requests by Ann and Robert Ogle to allow them to operate a motorcycle sales and service office at 141½ W. Santa Fe and to allow them to repaint the building. The Ogles were not present at the meeting.

The commission also extended for one year a use permit allowing

YL Council Approves Main St Abandonment

YORBA LINDA — The City Council voted to abandon a portion of Main Street between Imperial Highway and Yorba Linda Boulevard subject to the improvement of the intersection of Imperial Highway and Yorba Linda Boulevard at its regular meeting last Tuesday.

The council unanimously reversed an earlier position against abandonment when it was learned that they could condition the abandonment so that it would not actually take place until traffic problems nearby could be cleared up.

Councilmen also rejected all

bids on park and parkway maintenance, approved a hold harmless agreement pertaining to a portion of the Cajon Canal, canvassed the election results on the Fairgreen annexation and appointed Councilman Rudy Castro voting delegate to the League of California Cities Conference.

Eight Businesses Hit By Burglars Thursday

PLACENTIA — Eight merchants in the Placentia Place Shopping Center were victims of burglars last Thursday night.

The business establishments in the eleven hundred block of Yorba Linda Boulevard had been entered through back doors which had been pried open with a tool of some kind, according to Placentia Police Reports.

Chris Heucheroth, Photographer, reported the greatest loss. Several cameras valued at \$725 as well as \$100 cash were reported missing.

Placentia Shoe Repair reported the loss of \$45.00 in cash. Shoes on the repair racks had been rifled and a loss there could not be determined immediately.

Commonwealth Escrow Company has a note on its front door announcing to a prospective burglar that nothing of value is kept on the premises. Burglars, entering through the back door, found nothing, though drawers and files had been disturbed.

Other merchants who reported attempted burglary include Tarbell Realtors, Ye Old Meat Shoppe, Beneficial Finance, Christopher's Flowers, and Briney's Fish and Chips.

Sheriff's Deputies reported that Larry Lauder's Chevron Station at 17511 Yorba Linda Blvd. in Yorba Linda, had sustained some damage in what was described as a burglary attempt, but the station had no monetary loss.

PUSD Board Reaches An Agreement With Teachers

The Board of Education of the Placentia Unified School District and the Placentia Unified Education Association Negotiating Council agreed early Tuesday morning, September 15, to the adoption of a document delineating salaries, fringe benefits, working conditions and policy development for the 1970-71 school year.

Agreement came following the fourth marathon session within six days held by the two groups.

Superintendent Dr. Murrell M. Miller and Larry Clem, chairman of the Negotiating Council, issued a joint statement that the adoption of the package will permit orderly development of policies of mutual concern and marks a milestone in professional relations in the District.

Final adoption will take place following editing and ratification by the PUEA Representative Council and the Placentia Unified School District Board of Education.

The Board, at its Monday meeting, stated that it has no intention of permitting any unsound or unrealistic class loading and after the first week of school any readjustments or

employment of additional teachers deemed necessary will take place.

It was noted that the Personnel Office has already interviewed and identified a considerable number of qualified teachers at all levels who can be placed wherever evidence of overcrowding or situations detrimental to the education of the students warrant.

All schools opened on Monday as per schedule including Bernardo Yorba Intermediate School which had an enrollment of 226. A total of 12,131 students reported for classes which showed an increase of 889 over last years' September enrollment.

A report was given from Dr. Miller in reference to the goals of the Ethnic Ad Hoc Advisory Committee Report and his response.

He stated that at this time all bond money must be used for new construction and any rehabilitation for older schools must be approved by the state legislature and voted on by the registered voters of the district.

Investigating the availability of state and federal funding for future programs has been discussed and an earliest effective date would be September of 1971.

The discussion of school sites as to retaining and relocating will take up to three years to settle.

The district and Board also re-emphasized the policy of hiring teachers and staff members regardless of sex, nationality, religion, creed or culture.

Foreign exchange students attending local schools this fall include, front, from left, Susanne Burki of Switzerland, Anne Sobrie of Belgium, Cheryl Bigelow, who went to Germany for the summer, and Magdalena Hirsch of Switzerland. In rear from left are Alexander Jackson from Liberia, Leif Djurhuus from Denmark, Benny Linde from Denmark, Jacques Isnard from France and Pedro Tienken from Chile.

Play Auditions Slated For September 14-18

Tryouts for Placentia Recreation and Parks fall production are being held each day from Monday through Friday, after school, September 14 thru 18, and on Saturday, September 19, 9 to 12, and 1 to 4 at Backs Community Building, Kraemer Park, Richard Samp, director, announced.

The play, "He Who Killed the Deer," written by Mrs. Elizabeth Vickerman, in partial fulfillment for the Master's Degree in drama at California State College, Fullerton, will also be directed by the author. She

will be assisted by Mrs. Linda Trust, who so capably directed the department's summer melodrama.

There are openings for students from the third grade up, with a few of the adult roles to be taken by teens, college students or other young adults.

Rehearsals will be on Saturday and Tuesday afternoons. Dancing lessons will be given on Friday evenings. Tentative performance dates for Placentia are Friday, December 11 in the evening and a matinee on Saturday the 12th.

Nerves a Cause Of 'Pins, Needles'

Dr. Donald Brinkley illustrated an important "good-healthkeeping" point last week when he discussed the question: "What is the cause of pins and needles in the hands and arms up to the elbows?"

The point: The diagnosis of a problem and the patient's understanding of it is often as important as the Doctor's treatment.

"This particular person, a man in his fifties, came to me complaining of the 'pins and needles' problem. He said he had the condition for about two months," Dr. Brinkley said.

"While I had the fairly definite idea of the cause of the sensation, I told him that exact diagnosis of his problem was necessary," related the founder of the Brinkley Chiropractic Center.

"You realize," says Dr. Brinkley, "we can't be just 'popping off' when a patient asks a question. We must be able to look him square in the eye and give a firm answer."

In this case, Dr. Brinkley thoroughly examined him and gave him a simple nerve test.

"I found this man to have a nerve and circulatory problem, with pressure on a nerve the cause. The pressure wasn't where the sensation occurred, but was in the neck," said Dr. Brinkley. "Of course, you realize that the nerve trunks

extend out and down from the spinal column in the neck.

"Furthermore, in this individual's case, arthritic changes in the bones were exerting pressure. Needless to say, we are treating the man for the problem right now and, in his words, 'successfully.'"

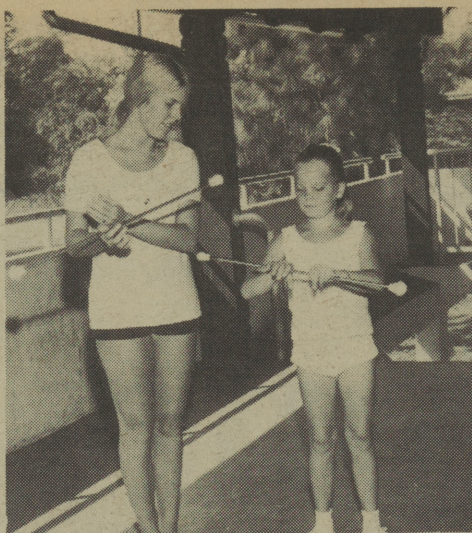

Dr. Brinkley then went on to explain his second point: "Patient understanding."

"When a person has, as in this case, the tingling sensation in the arm, it helps," says Dr. Brinkley, "if he understands some of the contributing factors to his problem."

"Pressure of this nature often develops if he remains in a certain position for a long time. Of course, this would mean the manner in which he lies down to sleep," explains Dr. Brinkley.

In other problems, diet habit, activity, so many things, can help or hinder a patient's progress or affect the acuteness of a disease. You therefore must have a Doctor's accurate diagnosis and the patient's full understanding of the problem.

Further information regarding this problem can be had by writing the News-Times, Box 10, 130 No. Bradford, Placentia, Calif. 92670.

Four classes sponsored by the Placentia Recreation Department will soon be getting underway. Lower right, Carol Chandler instructs young Denise Stoffregen in charm class; top right, Lisa Gonzales demonstrates a ballet position as Denise Stoffregen and Kim Chandler watch; lower left, Yvonne Smith, Terry Harman and Diana Gresham follow instructions from Mrs. Kay Kamakani in polynesian dance class and, top left, Terry Cohoon teaches Michelle Vawter the fine points of baton twirling.

Firemen Assist In Rescue Of Taxpayer's Dollars

Chief Jim Sims of the Placentia Fire Department announced recently that his department, being aware of the ever-increasing demand on the tax payer's dollar, has instituted a program whereby the services of each of the members of the Department are to be utilized where-ever possible on projects where a person

normally might expect the work to be done by outside labor.

Chief Sims pointed out examples such as the painting of Fire Station 2, where several hundred dollars was saved when all the labor was done by on-duty Firemen. Another example is the lawn sprinkler system, which was installed and maintained by the Firemen at a considerable savings to the tax payer.

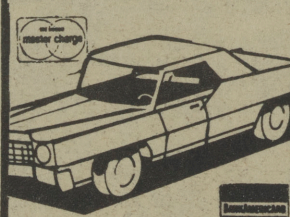

The chief encourages all personnel to take a hard look at any proposed project, and if possible the labor is to be done by Firemen.

Unitarians Begin Year

The Reverend Roy A. Ockert, minister of the Unitarian Universalist Church of Fullerton, will begin the church year with a sermon entitled "Alien There Is None." It will be an exploration into contemporary and traditional expressions of the Unitarian Universalist movement. The church services begin at 10:55 a.m. at the Faculty Club, 1220 N. State College Blvd., Fullerton.

Before and after the service there will be an opportunity to register children for the Children's Program which begins on Sept. 27.

There was some confusion this year regarding the price of milk. The above lunch prices include milk. However, if it is ordered separately, the price of milk is 5 cents per half pint for students and 10 cents for adults. The price of 5 cents also applies to kindergarten children who are provided the opportunity of a nutrition break this year. The low price of 5 cents for

VHS Girls League Holds Sister Tea

Valencia High School's Girl's League cabinet began functioning officially with its annual Big and Little Sister Tea September 10.

The yearly tea is designed to acquaint freshmen girls with the school, dress codes, behavior and also give them an opportunity to get acquainted.

Dr. David Tansey, principal of VHS, spoke to the girls and exhibited some of his famous magic tricks. Student body president Bill Yarak discussed with the 175 freshmen campus activities and student council functions. Other members of the student council were also on hand to talk with the girls.

YL TOPS To Hold Meeting

TOPS Goal Getters of Yorba Linda are planning a "back-to-school" fun night, Thursday, September 17. Starting at 7 p.m. at the meeting house of the Rose Drive Baptist Church, members will renew their pledges to "Take Off Pounds Sensibly" and get in shape for the holiday season now approaching.

Events scheduled for the evening include: a big dress parade (to show off how much you've lost!), a small dress parade (to see how far you've got to go to get into that hoped-for small size!) and a success story told by a KOPS (Keep Off Pounds Sensibly) to inspire those working toward that goal. Low calorie refreshments will be served.

The local chapter is a branch of the international organization which was founded in 1948.

El Dorado Faces Sunny Hills In Football Opener

El Dorado High School's Varsity football team will kick off the 1970 season against Sunny Hills, Saturday night hosting the Lancers in the first of four pre-season games at Bradford Stadium at 8 p.m.

Last Saturday morning the Hawks scrimmaged Troy High School, EDHS out scored Troy 3-0 in touchdowns, but the

Warriors moved the ball as well as the Hawks.

Coach Glen Hastings stated, "Our boys have worked hard this summer and played as good as we could have expected from them. We had 35 players suit up to do a job and that's what they did." Hastings added, "We don't have any super stars this year, but we have a bunch of guys that work well together."

Cal State Opens First Football Season Ever

The California State College at Fullerton Titan football team opens its first season in history Saturday evening when it travels to Pomona to play California Polytechnic College. The game begins at 7:30 p.m. in Kellogg Bowl.

Cal Poly finished last season with a 2 win, 8 loss record but has 26 returning lettermen and 20 junior college transfers on the team this year.

CSF is fortunate this year to have as head coach Dick Coury, who led Mater Dei High School to three CIF championships and seven league titles in nine years and who spent the last three as defensive coach at the

University of Southern California.

Leading the team will be two junior quarterbacks, Mike Ernst of Downey and Chris Jaramillo of Montebello. Both had fine years in junior college last year.

ED Frosh And Soph Teams Play

El Dorado's Freshman and Sophomore teams will play Sunny Hills this week, with the Frosh playing at home Thursday and the Sophs there Friday. Both games begin at 3:15 p.m.

Sophomore Coach George Mannino commented, "We need to work on our fundamentals, but we have progressed greatly from the start of 'Hell Week'. We have a darn good Sophomore team."

According to Coaches Jack Woy and Joe Walton the freshman team looked real good against Troy. "We outscored Troy 2-1," Woy explained.

Teams Open Varsity Seasons This Weekend

Members of the first defensive unit on Troy High School's football team are, front, from left, Bill Ewing, Mike McGranahan, Richard Lowry, Brian Stephenson and Stuart Hedges. In rear are Rush Backer, Dave Reimann, Chris Van Zee, Joe Gray, Glenn Adam, and John Hufferd.

Valencia High School's football offensive will be led this fall by, front from left, Harley McVay, Eddie Gonzalez, Craig Huewe, Joe Campos, Mark Samaripa, Robert Galvez, Andy Hernandez, rear from left, Craig Caldwell, Joe Rangel, Dean Yamada and Scott Somerville.

Members of Valencia High School's first defensive unit include, front from left, Craig Caldwell, Ross McCrae, Chuck Guillen, Eddie Gonzalez, Craig Huewe, Harley McVay, rear from left, Dean Yamada, Peter Laborde, Joe Rangel, Rory Zavala, and Scott Somerville.

This year's football coaches at Troy High School are, back, assistants Ron Ortmayer and Dave Test, front, assistant Dennis Dixon and head coach George Vallance.

Troy Opens Season At Home Against Orange

Troy High School's Warrior football team hosts Orange High in Fullerton Stadium Friday at 8 p.m. in its first game of the season.

Leading Coach George Vallance's team will be quarterback Bill Cathers and fullback Lance Copeland. Vallance commented last week that Copeland should become a fine running back this year.

Defense will probably be

Minnows Fall In Opening Football Game

The Placentia-Yorba Linda Minnows of the Orange County Conference Junior All American Football League were defeated 14-13 by the Los Alamitos Phantoms there Sunday when they failed to convert following their second touchdown in the fourth quarter.

Outplayed in the first half, the Minnows fought back to score in the third and fourth quarters on runs by Todd Potter and Kevin Hogan. Other than the two scores the Minnow defense held the Phantoms to small ground gains.

the strongest part of the team with 283-pound middle guard Richard Lowry, Brian Stephenson and Mike McGranahan anchoring the line and Bill Ewing and Stuart Hedges at defensive end.

Vallance also had good words for junior quarterback John Hufferd, who will back up Cathers.

Morris Takes Second Place

Bob Morris and wife, Carol, of Yorba Linda made the 700 mile drive to Salt Lake City, Utah recently for the Great Salt Lake Road Race.

Accompanied by Charlie Vehle, Morris entered his Triumph TR-3 in the competition which took place during the wettest September weekend in the city's history.

Despite the hazardous conditions, Morris placed second to bring home another trophy for his summer racing.

A salesman for Fab Steel and Supply Inc. of Anaheim, Morris plans to enter competition at the new Ontario Motor Speedway September 19.

Valencia Hosts Neff In First Football Game

Valencia's Varsity football squad under first year Coach Dave Stout faces powerful Neff High School this Friday with action beginning at 8 p.m. at Bradford Stadium.

The Tigers will have to be at their best to overcome the Warriors who are blessed with a strong passing attack.

Neff's very highly touted air show will provide the VHS secondary with it's stiffest test of the new year as Neff went to the air 15 times in its first 20 plays in a scrimmage against Montebello last week completing 11 passes.

Last Saturday in the Tiger's first scrimmage the team defeated Lowell two touchdowns to one.

"The whole defensive squad was outstanding holding the Patriots to only 91 yards rushing, which included a long run of 35 yards," stated Coach Stout.

The first year mentor is still undecided about the quarterback position with either Dean Yamada or Ed Snead getting the starting call.

Coach Stout also singled out the play of Joe Rangel, Craig Caldwell and Ross McCrae.

Starting for the team in its

opening game on defense, will be a front four averaging 205 pounds, including Dane Ilertson 205 pounds, Ed Gonzalez 219 pounds, Craig Huewe 205 pounds and McCrae 190 pounds.

Peter Laborde, Mark Samaripa, Scott Somerville, Paul Thurmond, Dean Yamada, Rangel and Caldwell close out the unit.

Offensive starters are Robert Galvez, Chuck Guillen, Harley McVea, Richard Hernandez, Huewe and Gonzalez.

Caldwell, Somerville and Rangel will team up with either Yamada or Snead in the backfield.

FJC Faces LB City

Fullerton Junior College opens its 1970 football season in an away game against Long Beach City College Saturday evening at 8 p.m.

Coming off a 10-2 season and second place in the state last year, the Hornets will be going with a very inexperienced squad according to Coach Hal Sherbeck. Gary Wann will be leading the team from quarterback.

Placentians Returning From Vacation Tell of Their Experiences

Mr. & Mrs. Charles Geeter and family (Kim and Chuck) spent a week in Paradise Valley. Their friends, Mr. & Mrs. Elmer Janetsky and family from Los Altos met the Geeters there where they back packed a few days.

Chuck Jr. was a lucky fellow to have two vacations

in a row. Just the week before, he flew to San Francisco to join his grandparents who took him deep sea fishing for salmon and sturgeon.

Mr. & Mrs. Vincent Sack, 1701 Heritage spent the holiday week-end in Big Bear. They were the guests of the George Kirk family of

Rolling Hills.

Dave and Rick Sack spent the week-end fishing and visiting with the Kirk's three youngsters.

Miss Susan Tate spent the Holiday's at Rosarita Beach as the guest of the Richard Patino family.

Jane & Henry Rissi, Anned Drive, motored to

Tollinsville, Illinois on the 25th of August for the 50th High School graduation party for Jane and her friends.

A gift was given to Mrs. Rissi for having come the longest distance to attend the splendid and fun affair.

William Towles, Hamer Dr., flew into San Francisco

last week on a business trip.

Towles has been awarded 3rd prize in ceramics at the Southern California Show held recently at the Convention Center in Anaheim.

Liz Topp has been spending the summer in Green Valley Lake with her three youngsters — Karen,

Mike and Kim. Her husband Howard spent the week-ends there and returned to Placentia to hold down the fort and keep up the good work at Hughes-Fullerton.

Mrs. Gladys Griffin, Center St. entertained in her home on Tuesday of this week.

PTA Begins Bowling Club Organization

A meeting to organize the Van Buren PTA Bowling League will be held Tuesday, September 22 at 10 a.m. at the Carter Bowl in Fullerton. League play will start September 24 at 9:30 a.m.

Those interested should go to the meeting or contact Mrs. Pat Griffin at 524-6356 for further information.

EDHS Drum Major Back

El Dorado student Richard Arnoff returned home from a five day trip last week.

Arnoff attended the Southland Drum Major and Drill Team camp in the Cleveland National Forest.

While at camp, Richard learned how to twirl, how to use commands, and how to develop routines for the EDHS marching band.

Van Buren PTA Gives Welcome Tea

A get acquainted tea for parents and kindergarten children was held at Van Buren Elementary School September 10 with kindergarten teachers Margaret Rayburn and Mauvis Campbell and new school principal Delos Eyer greeting the parents and children.

Refreshments were served by the Van Buren PTA Hospitality Chairman, Mrs. Don Ricketts, assisted by Mrs. Dan Hales, president and Mrs. John Kibler, first vice-president.

Children To Receive Nutrition

Following a recently adopted PUSD policy, children attending kindergarten will be offered a nutrition period each day.

Each school will develop a plan for the purchase and distribution of snacks for the daily nutrition break as desired by the parents of that school.

Disneyland will once again become the center of the jazz music world when it imports more than 80 of the nation's finest musicians,

including Bob Crosby, Turk Murphy, Mickie Finn, "Wild" Bill Davison, Art Hodes and Doc Evans for the 11th annual "Dixieland

at Disneyland" on Saturday evening, Sept. 26.

This year's musical spectacular will feature the revival of a popular tradition as the Rivers of America once again serves as a stage for some of the floating caravans of ragtime bands, backdropped by Tom Sawyer's Island.

Advance tickets for this musical spectacular are on sale at Wallichs Music City, Desmond's Department Stores and at all Southern California branches of the Bank of America with

BankAmericards.

Although traditionally a sell-out, tickets may be purchased at the gate on "Dixieland" night for \$7.50, if still available.

Not only does a single admission ticket entitle a guest to enjoy six consecutive hours of jazz music, but also unlimited use of all Disneyland attractions, except the shooting galleries.

Principals in this year's event include Crosby directing the World's Greatest Dixieland Band in

the Land, featuring the Bobcats, the entire Mickie Finn Show from San Diego and Murphy and his talented assemblage from San Francisco.

Local United Fund To Open Drive Oct 12

The annual Placentia United Fund campaign will begin October 12, 1970 with the mailing of 4,300 letters to city residents. Each year PUF asks Placentians to support generously this effort to combine many charity drives into one all-encompassing annual campaign, with advantages accruing to both donor and recipient.

At the September 8 meeting of PUF board members, Budget Chairman Bob Helander presented the 1970 budget showing a total goal of \$20,640. The completed budget is the

result of careful study by the committee, of all requests submitted by the 18 member agencies, along with a summary of their services, plans for the year, etc. Helander explained that it is never possible to meet all agency requests. "This year it was necessary to make rather drastic cuts in order to form a realistic budget which we can hope to meet." All PUF board members and campaign workers serve without pay, thus making it possible to distribute all funds collected.

Post Advisor Don Schnoor, center, presents Eagle Scout award to Duane Winter, left, and Mike Adams, right, during recent ceremonies at Tuffree School.

Coquettes Perform

An appearance at the Long Beach Armed Forces YMCA Sept. 20 will mark the twenty-first performance of The Coquettes, a group of four northern Orange County girls doing dance routines as part of benefit programs arranged by Jet Set Varieties.

October brings two more performances for the dance group members. Those from El Dorado High School are Debbie Burton, 15, Linda Massey, 14, and Dawn Smith, 14. Cheryl Trachtenberg, 15, is from Valencia High School.

Preceding the Oct. 24 program in Carson, hometown of Jet Set Varieties, The Coquettes will perform for the Oxnard U.S.O. on Oct. 11. A previous U.S.O. show took place at Oceanside in August.

ED Boosters To Sponsor Barbeque

El Dorado high school's annual barbeque sponsored by the EDHS Booster Club will be held September 20 from 4 to 6 p.m. on the Hawk campus.

Tickets for the event, which includes a menu of barbequed beef, beans, cole slaw, rolls, punch, coffee and ice cream, will be priced at \$1.75 for adults and \$1 for children 12 or under. Board members selling tickets may be contacted at 524-4364.

The club's first meeting will be held tonight with principal Marvin Stewart outlining his expectations for the 1970-71 school year. Board members expected at the 8 p.m. meeting include Berry Beard, president; Lyle Campbell, 1st vice-president; Ray Ritchie, 2nd vice-president; Barbara Keneipp, recording secretary; George Hlavac, treasurer; and Muriel Beard, corresponding secretary.

NOTICIAS DE SALUD: El Departamento de Salud Publica del Condado de Orange iniciara el Programa de Prueba de Tuberculina en las escuelas publicas la proxima semana. Este programa es planeado por la enfermera de las escuelas publicas con la cooperacion y participacion de las enfermeras de Salud Publica del Departamento de Salubridad. El analisis de tuberculina se hace con el proposito de determinar la presencia de germen de tuberculosis en el cuerpo.

Tuberculosis es una enfermedad causada por un germen y se propaga de persona a persona con facilidad. Una persona con tuberculosis activa, tose o estornuda enviando los germen al aire.

Estos pueden infectar a cualquier otra persona no importa la edad. Tan pronto el germen entra en los pulmones, las celulas blancas de la sangre que son

la defensa del cuerpo, empiezan resistir la enfermedad.

Si la resistencia del individuo es buena y la invasion de los germen en el cuerpo no es muy grande, muchos de estos mueren con la defensa que pone el cuerpo, otros se acumulan en una masa en la pared del pulmon y no hacen ningun dano.

Esta masa es lo que se llama tuberculo y de ahi se deriva el nombre de la enfermedad. Millones de personas viven con los germen de esta enfermedad, sin enfermarse, pero es importante que se examinen periodicamente porque los germen estan en el organismo.

Muchas veces la resistencia del cuerpo baja, debido a actividad fisica excesiva, dieta inadecuada, u otras enfermedades y la resistencia de la persona sufre una crisis.

En muchos casos el tuberculo o masa alojado en

el pulmon se rompe, los germen se multiplican e invaden el pulmon, causando la enfermedad o tuberculosis activa. Un medio para determinar la presencia de estos germen en el cuerpo es a traves de la prueba de tuberculina.

SINTOMAS DE LA TUBERCULOSIS: Fiebres intermitentes, perdida de peso, tos, cansancio y fatiga constante y a veces presencia de sangre al escupir. Como precaucion toda persona debe hacer un esfuerzo y someterse a una prueba de tuberculina o radiografia del pecho anualmente. La Prueba de Tuberculina es muy simple. Una pequena cantidad de liquido se inyecta en el brazo debajo de la fina capa de la piel.

En tres dias se lee el resultado, midiendo el area de la inyeccion. Si es negativa nada aparece en el lugar. Si es positiva el area aparece rojiza y es muy
